Mr. Pavan Agarwal
Mrs. Priya Agarwal
505 Autumn Wind Way
Rockville, MD 20850

Dear Pavan and Priya:

Today, Children Immunization Foundation (CIF) is providing more vaccinations than ever before to prevent serious illnesses. So far as of September 2012, the CIF has provided more than 1100 Hepatitis "B" vaccines to poor children and more than 7500 vaccines since inception of CIF. In coming years, CIF is planning to provide more and more vaccines. In December 2012, we are sponsoring a village in Utter Pradesh. So far we were providing services only in Bihar.

Pavan, I know, you have been very supportive in the past and we could not have been successful without your support. Your gift will help the CIF focus on vaccination for poor and needy children, and create awareness about the importance of immunization.

Thank you in advance for your donation.

Sincerely,

Duli Agarwal
Director

Dear Uncle,
We hope everyone is
doing well. Thank you for
your leadership of this
very worthwhile foundation.
Best regards,
Priya & Pavan
