Dear Duli,

Enclosed is a check for \$250.00 (Two hundred fifty dollars) for the CHILDREN IMMUNIZATION FOUNDATION.

Regretfully, I could not attend or call in to the recent meeting, but continue to believe in what you are doing to help children grow to be healthy adults. It would be nice to meet with you sometime and catch up with what's happening with you and family. I can drive out to Germantown, or out to the North Potomac area for lunch. Let me know if you are available.

Dear Donna and Joe:

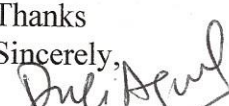

We all know that "Health is Wealth" and the Children Immunization Foundation (CIF) is doing exactly to bring that wealth back by doing health awareness camps and providing Hepatitis "B" vaccinations free to prevent serious and deadly disease caused by Hepatitis "B" virus, health awareness camps in schools and communities. In addition to CIF has installed drinking water system in two schools to provide clean drinking water to 1500 children. As of 2018, the CIF has provided more than 30000 Hep "B" Vaccines and plan for another 4000 by December 2019, has installed two clean water systems and has conducted more than 10 health awareness camps. So far, we have sponsored 28 schools in Bihar and Utter Pradesh states.

Your gift is not only helping poor and needy children but also creating awareness about the importance of health among young generation in India. As a result, overall CIF is helping health of those children who are future of the world.
